

Invitation

# Forestry and Water in the Baltic Sea Region

29 January 2019, Stockholm

## Good water quality in the forest landscape - How can forestry contribute?

- Get the latest news on planning tools, ditch cleaning and forest buffers
- See some of the regions best initiatives and cooperations
- Take part in the discussion

Welcome to an arena where forestry, research community, NGOs and authorities meet!

Where: World Trade Center, Kungsbron 1  
Stockholm, Sweden

When: 11:30-16:50, 29 January 2019

Cost: Free

Last day of registration: 15 December 2018

Don't miss out! Please register [here](#) now.
